JHCC Research Grants - BRIGHT Run Funding

The JHCC Research Grants Program awards funding annually to research projects that demonstrate compatibility with the Juravinski Cancer Program's priorities.

Applicants for BRIGHT Run Funding should demonstrate alignment with the BRIGHT Run's commitment to advancing breast cancer research that improves prevention, diagnosis, treatment, and care.

The minimum individual grant amount is **\$50,000**.
The maximum individual grant amount is **\$250,000**.

Projects must be initiated within six months of funding approval, and project grants are to be utilized within three years.

Deadline: Monday, May 4, 2026
